Huron High School
Huron, South Dakota

Huron High School is extremely proud of its fine band. Therefore, we have chosen them along with our Tiger mascot to lead us through the pages of our 1962 Tiger as we go "Hand in Hand with Memories."

Hand in Hand

A black and white photograph of a hand with a ring resting on a yearbook page. The hand is positioned over a page that features a collage of images, including a portrait of a person and some text. The background is dark, and the overall mood is nostalgic and reflective.

Foreword

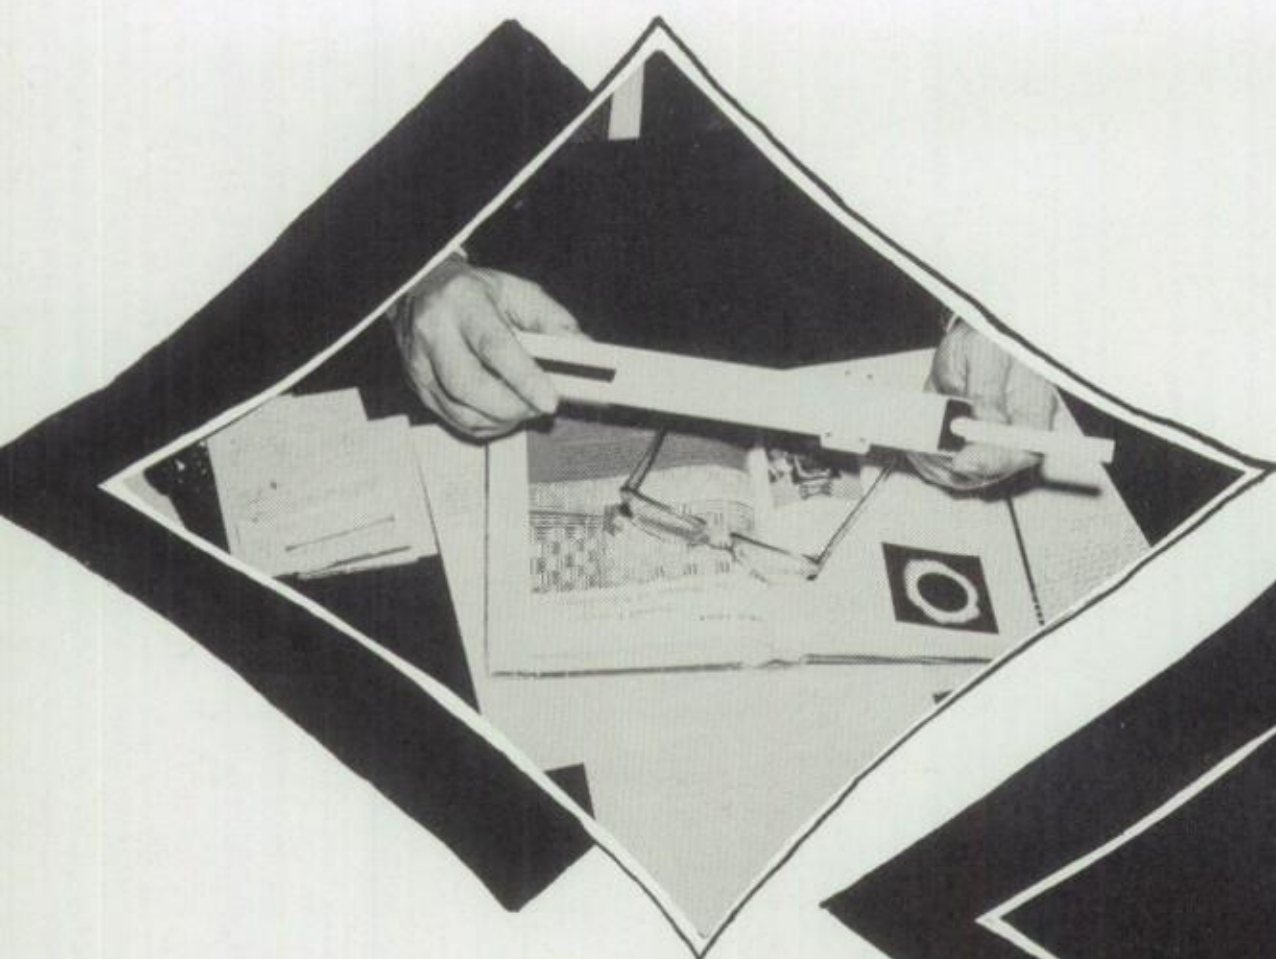

As our school days come to a close, we pause to look back on a year full of memories. These are memories of our friends and the happiness we have had.

Sophomores will remember the past year as one of adjustment to a new phase of school and new faces. Juniors will remember the past year as one of preparation for their future roles as seniors and leaders. But, seniors will remember 1961-62 as a milestone in their lives, for it marked the end of their high school days, and the beginning of their new roles as future leaders.

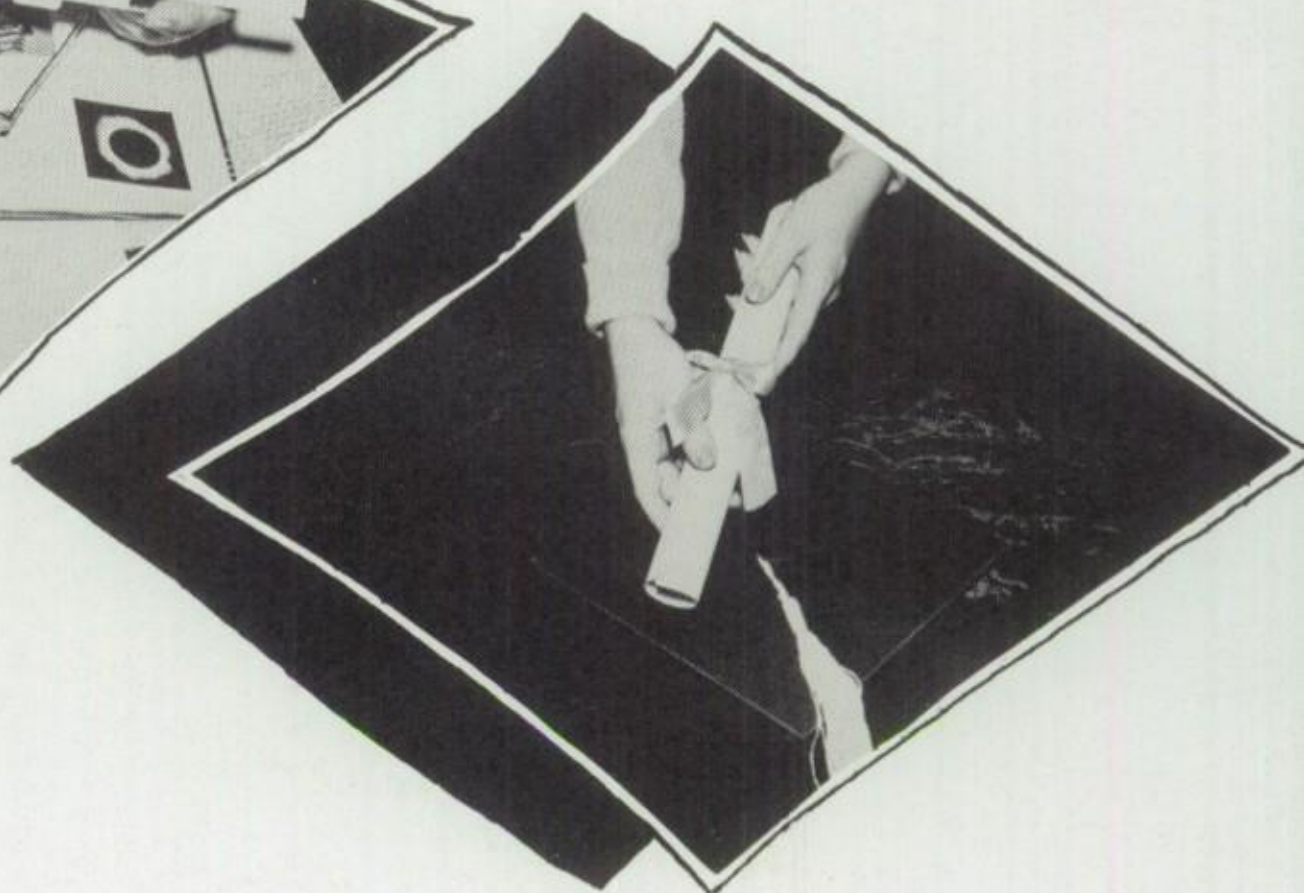

Yes, our last year has been filled with many experiences which we shall never forget. We have attempted to capture the best and most outstanding of these memories between the covers of the 1962 TIGER.

We hope that we have succeeded in our endeavor to present a good annual to you, the students of Huron High. With the sincere wish that each of you will find among these pages something special—something you will remember for a long, long, time—we have chosen the theme “Hand in Hand with Memories” to carry through our book. We present to you the 1962 TIGER!

Coronation Climaxes Home

October 19-20—the big days of HURON HIGH SCHOOL'S HOMECOMING!! For many weeks Huron students have prepared for this day in various ways—by practicing for the important football game, by constructing floats, by building a bonfire, by planning for the snake dance, by whitewashing the town, by choosing the attendants, the knights and maids of honor, and the king and queen to reign. High spirits and anxiety settled upon the student body. In the assembly, the famous “Kangaroo Court” once more convened and was conducted by several HHS Bolsheviks. Also the students with the best costumes were chosen. In the afternoon was the Homecoming parade and at night, the football game, followed by the Homecoming Dance held in the Huron Arena. On the opposite page, King Paul and Queen Colleen rule majestically.

Political Parties Clash During Senior Elections

These pictures illustrate intense party rivalry during elections. The four Senior Class Officers are elected according to basic democratic principles so that HHS students will be able to practice good government. The Senior Class is evenly divided into two parties who choose their official name, the planks of their party platform, and most important, the candidates to fill the offices. A rivalry fills the atmosphere when these are selected and presented at each party rally. This year's parties were the SABRES and CHANCELLORS. After official registering and voting, the 1962 Senior Class officers were elected by the Senior Class. Those elected were President, Dennis Paulson; Vice-President, Gary Fisher; Secretary, Kathy Tschetter; Treasurer, Terry Chaffee.

Successful Comedy Presented by Juniors

"A Little Honey," a three-act comedy, was presented by the Junior Class November 1, in the Huron Arena. Bill Kingdon as Tom Corning, Warren Thompson as Diana Minton, and the other members of the fine cast impressed the audience with their brilliant performances. The play centered around Diana's listening to everyone's advice as to the "only" way to "get your man," but finally using her own method. (P.S.: Diana got her man!)

The cast, under the direction of Scott Dexter, did a magnificent job!

An elaborate stage setting by Mr. Dexter and students, and lighting by Keith Knutson, added to the effect of the play.

Members of the cast were, left to right: Rhonda Eberlein, Judy Caine, Bob Murphy, JoAnn Peoples, Kay Bartel, Bill Kingdon, Warren Thompson, Dennis Carstens, Merna Sinkevich, Barbara Morgan, Linda Lyon, and Steve Vagle.

Boys' State

During the last week of May, Boys' State is held at Northern State Teachers College in Aberdeen. Each year the American Legion sponsors Boys' State, giving selected students from every corner of our state the opportunity to learn more about the American form of government. Then boy staters actually practice good citizenship by voting and electing officers.

Girls' State

The week following Boys' State, Girls' State convenes on the Dakota Wesleyan campus in Mitchell. This organization is sponsored by the Ladies Auxiliary. Delegates are chosen on the basis of scholarship, leadership, and personality. The girls learn and practice our democratic form of government.

Nancy Erickson, a senior in Huron High School, was elected Governor of the 15th Annual Girls' State meeting last June. As part of her duties as Governor, Nancy attended the Yankton Youth Centennial parade and also spent three days in Pierre as the guest of Governor Archie Gubbrud and his family.

In forensics, Huron High School displayed promising talent. The South Dakota Debating League, of which Huron High School is a member, chose this topic for debate:

RESOLVED: That the Federal Government should equalize educational opportunity by means of grants to the states for public elementary and secondary education.

The Huron debaters, under the able direction of D. C. (Doc) Reutter, have made a fine showing at South Dakota State College, South Dakota University, Watertown, and Yankton. One of the largest tournaments of the year was the Midwest Tourney held at Augustana College in Sioux Falls. Out of the thirty towns which participated, Huron won first in the sweepstakes.

Nancy Erickson and Dick Niebuhr have done superior work in the field of extemporaneous speaking. With this excellent background, the members of the debate squad will make good public speakers.

Although it is one of the oldest forms of self-defense known to man, wrestling is just coming into its own as a sport so far as Huron High School is concerned. In its second year as a school-sponsored sport, wrestling is gaining momentum and promises to take on an even greater importance in the future.

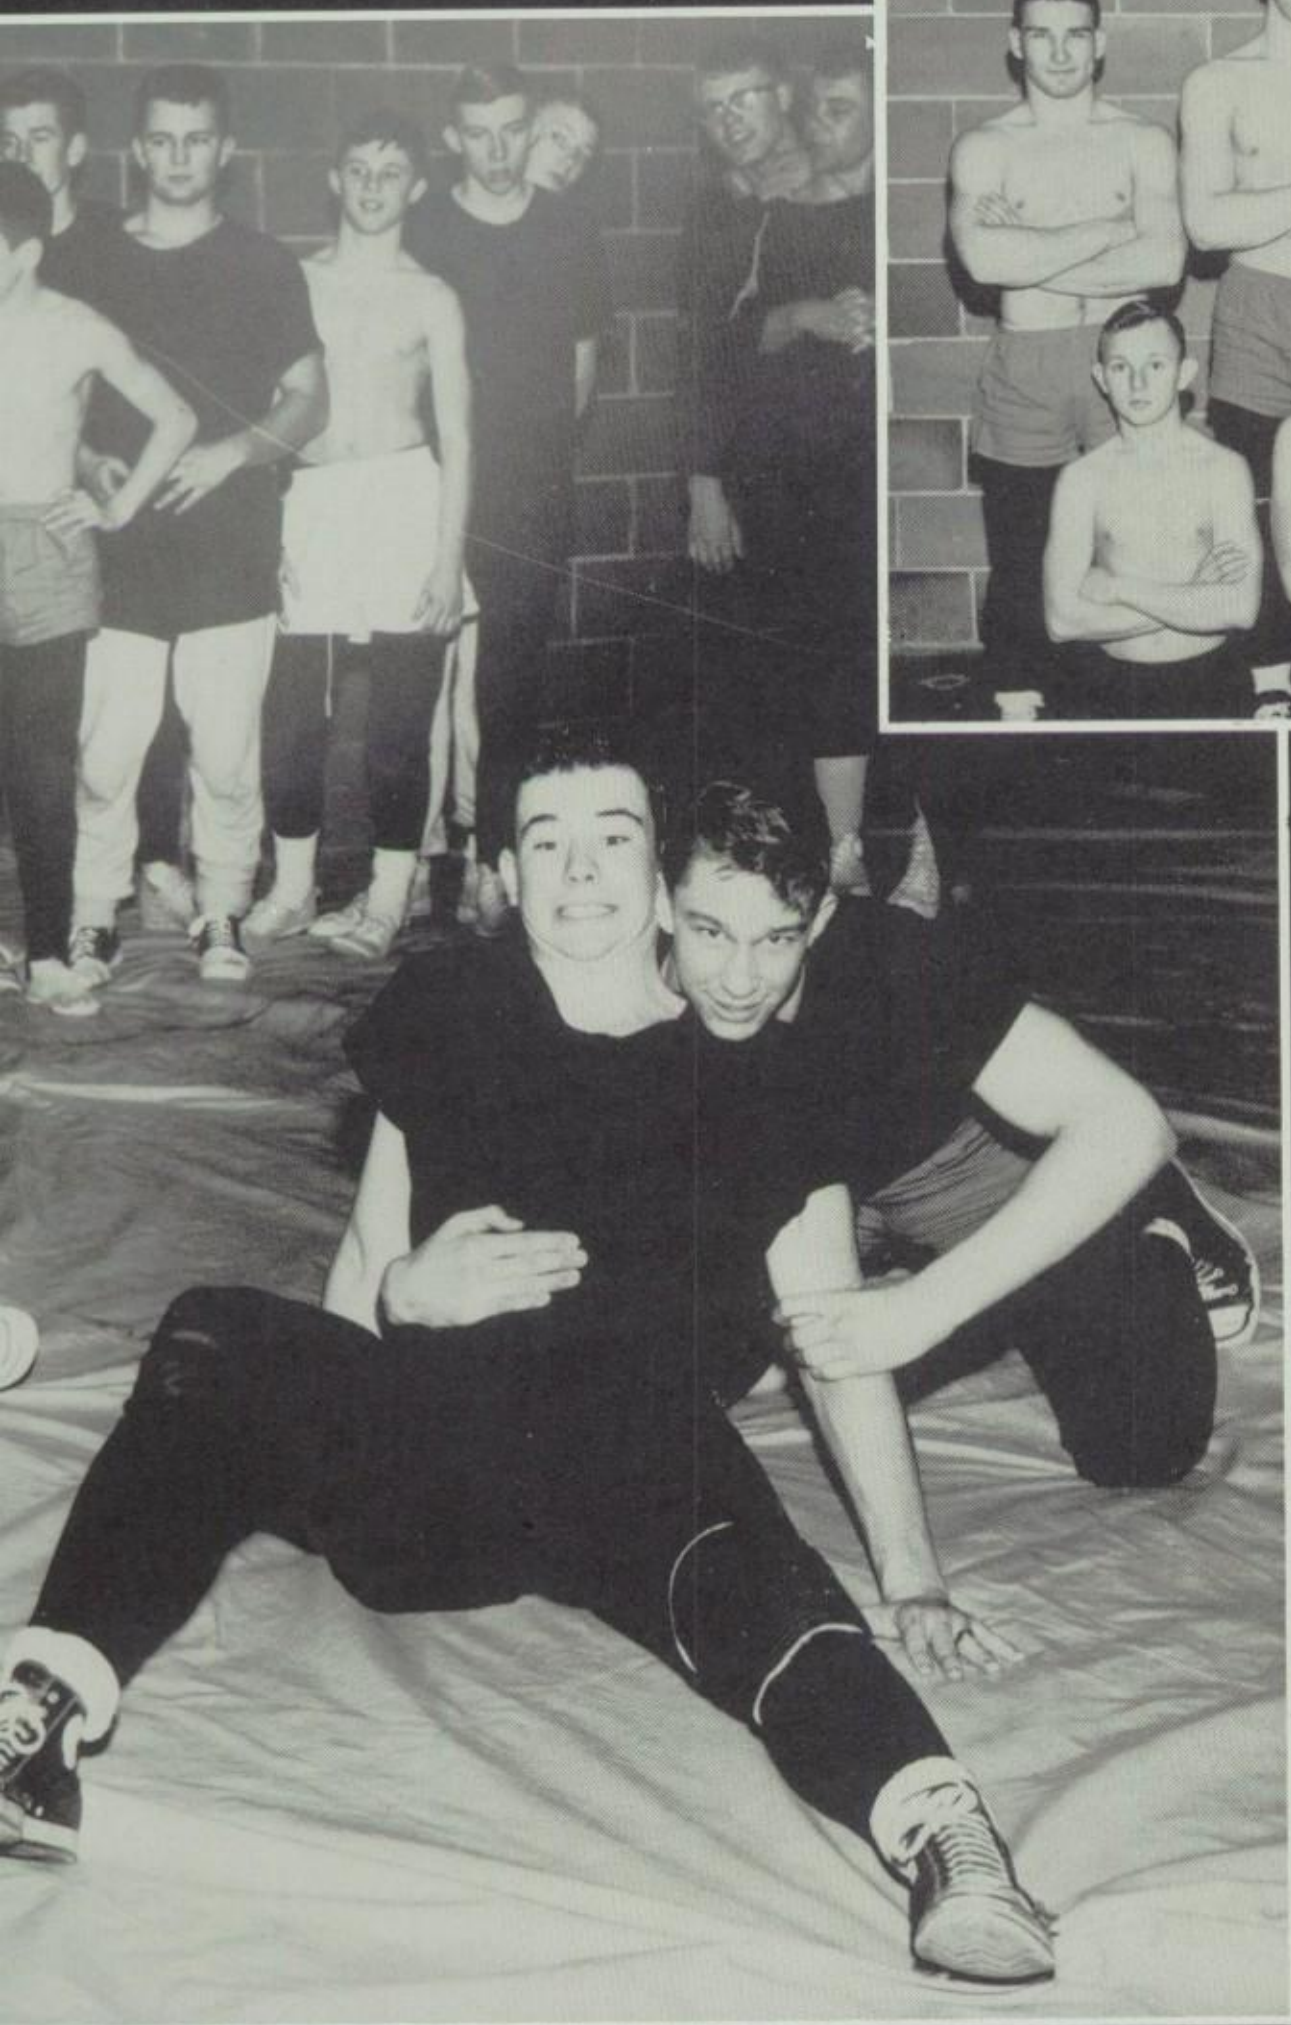

The Tiger wrestling team consists of about twenty-three boys ranging in weight from 95 to 130 pounds. From the scores on the next page it's easy to see that they're not just fooling around on the mats.
